

# Margaret Simek Foundation Nosework Seminar

Sunshine Obedience School, Council Bluffs, Iowa

**Friday, January 20, 2017**

Margaret Simek's name is well-known and widely respected among dog sports enthusiasts and professional trainers. Margaret's One Happy Dog seminars, sports camps, and online classes for trainers sell out regularly. Margaret's own titles include a CT, NW3, OM4, UDX, and she has been High in Trial in both obedience and nosework, along with multiple AKC National Obedience Invitational invites. Margaret's non-traditional breeds include a rescued American Staffordshire Terrier, Jack Russell Terrier, Chesapeake Bay Retriever, Brittany, and Australian Shepherd.

This seminar will be an introduction to the nosework sport including how to handle odor and make a hide, introduction of dogs to odor, and if some of the dogs are ready, beginning discrimination. There is also an advanced nosework seminar on Saturday/Sunday. This seminar will be limited to ten working dogs, and if you purchase a working spot in this one-day seminar for \$150, you may audit the advanced days over the weekend for free! Auditing is also available for this one day seminar for \$50.

Lunch will be provided. Each dog works individually and all dogs must be crated when another dog is working. Bring high-value treats and a hungry dog!
