

Julie Hill

Competition Obedience Seminar

October 20-21, 2018

Council Bluffs, Iowa

Julie's working seminars emphasize motivation in the training process. During the obedience seminar on Saturday and Sunday she will discuss all of the obedience exercises in the context of creating and maintaining "the utmost in willingness and enjoyment," as well as performance consistency. She incorporates play, games, tricks, and rewards into each phase of training from foundation to advanced. Saturday's seminar will concentrate on heeling, fronts, and finishes, with Sunday's seminar delving in to Open and Utility. Participants are given lots of exercises and floor time to try out Julie's methods, and to have problem exercises addressed.
