Dear Obedience/Rally/Agility/Nosework Enthusiast:

I am pleased to announce that I will again offer obedience, rally, nosework and agility classes this spring. Day classes will start on Monday and Tuesday, February 25-26, and Night classes will start on Monday night, March 25th.

Day classes are four weeks long, and the night classes are six weeks long, running in continuous sessions until mid-November. We do take a four week break in July over the hottest part of the summer. There are also no classes during Memorial Day and Labor Day week.

The day classes will be just nosework and obedience/rally until the second four week session begins in March, when the Monday morning agility class will resume (March 25). Nosework class will be at 10 AM starting Monday, February 25th, with a special "drop in" class being offered on Monday, February 11th at 10 AM, to prepare for the UKC nosework trials here the following weekend. The special drop in class will be \$15 per dog.

The Tuesday morning obedience/rally classes will begin on February 26th. This year there will be a special half an hour rally class on Tuesdays at 9:30 AM, with obedience class to follow at 10 AM. The rally class will progress through all of the advanced, excellent, and master exercises. Obedience class this year will be a combined Novice/Open class, and we will also be working our way through all of the utility exercises this year, starting with articles and gloves. There will be a set of novice stays at 10 AM, at the end of rally class and the beginning of obedience class.

Night classes will begin on March 25th. The two classes on Monday night will be a Novice/Intro to Open Obedience Class at 6 PM, followed by an advanced nosework class at 7 PM.

Cost of the four week day time classes are \$75 for the first class, \$65 for the second class, same dog/family. The cost for one dog in any of the evening classes will be \$95 per six week session; the second

dog/class from the same family will be \$85 per six week session. If there is space for drop ins, that will be \$22 per class, \$18 for the second dog. Please call or e-mail to see if there is space.

Aggressive dogs will not be allowed in any class. Obedience and nosework classes will be in the obedience building, which is matted, heated, and air conditioned. Agility classes will be held in my unheated dirt-floor building, and you will also be working outside as soon as the weather conditions permit. All of the classes will start and end on time, so promptness is important! The exercise area for the dogs is south of the driveway (on your left as you drive in), do NOT let your dog eliminate north of the driveway or around any of the agility equipment. Please pick up after your dog, baggies will be provided. With so many dogs in the various classes, you \*must\* pick up after your dog, no exceptions, even in the dark, so you might want to bring a little flashlight early in the year when it could be dark after class. Be sure and park completely on the pavement and not on any of the grassy areas, especially this winter/spring when it will be so muddy. Please park close together to conserve parking space for those coming later. And if you're doing both obedience/nosework and agility on the same day/night, bring a separate pair of shoes, it gets ugly in the obedience room if you do agility and then walk through the snow and mud to do obedience :-)

And, my very biggest "thing", do NOT drive up the driveway a hundred miles an hour. We have a lot of dogs, cats, and people that could be in the driveway at any given moment. And do be careful driving out, stop and look both ways, and then look again before you pull out of the driveway.

If there are any questions as to whether class will be held due to inclement weather, check your e-mail as I will be sending out a general announcement by 3 PM at the latest for evening classes and by 8 AM for morning classes. Except in \*very\* extreme heat (It's true, it IS cooler in the country!), class will most likely be held unless driving conditions are dangerous, and since the obedience building is air conditioned, heat will not be a criteria for canceling obedience, rally, or nosework class. Bad weather, of course, will be!

Class size is limited. Don't assume you've got a spot in class just because you have been in a previous class or told me at some point you wanted to do it, get your registration in ASAP. If you wish to enroll in obedience, rally, agility and/or nosework class, please return the attached registration form, release form, and class fee. Private lessons are always available and are \$50 an hour, \$30 for half an hour. The agility and obedience buildings

are also available for rent for training, \$10 for either building or \$15 for both, per person per hour.

I am looking forward to another great year of classes! If you have any questions, don't hesitate to e-mail or call me at (712) 526-2252.

thanks, Gerianne

Directions to Sunshine Obedience School:

Take I-80 to I-29 South. Take the Iowa School For The Deaf/Highway 92 exit. Turn right from the exit and go to the stoplight. This is the intersection of Highways 92 and 275. Turn right (south) on Highway 275 (also called Wabash Ave.) for 2.2 miles. Turn left onto the Pioneer Trail (also called G-66, which is a paved road.) Go four miles. Turn right onto 240th Street (gravel road). We are the fourth place on the right, the number is 11092. We are on top of the hill after the bike trail, and there is a large Basset Hound mailbox.
