Should there be any errors, please contact the Trial Secretary, Norine Nieman, at papnose@cox.net immediately.
2. One armband number will be assigned to each dog for all trials in which the dog is entered, and will be used to determine the running order of dogs as well as to help judges and trial officials identify dogs in their records. Numbers will be available at the check-in table on the day of the trial.
3. The armband number need not be physically displayed on the dog or handler.
4. You will receive updated trial information after the trial closes.

- **CLASS TRANSFER/CORRECTION OF ENTRY**

1. Owners are responsible for the accuracy of information and any errors on the entry forms. There will be no refunds for invalid entries. A move-down transfer may be requested if the owner mistakenly entered the dog in a higher-level class for which it is not eligible. A lateral transfer (from section A to section B in Novice) may be requested if the owner mistakenly entered the dog in section A, and it is not eligible. The request for a class transfer must be made in writing and presented to the trial secretary at least thirty (30) minutes prior to the start of each trial.
2. Transfers may be approved provided the class is available and entry limits have not been met.

• **EXHIBITOR AND GENERAL INFORMATION**

1. All events are held under the Rules and Regulations of the American Kennel Club, Inc. By entering these trials, exhibitors acknowledge that they are familiar with the rules and regulations of the event in which they have entered. Here is the link to the [AKC Scent Work Rules](#).
2. BDOC, its agents; AKC, its agents and its employees; assume no responsibility for any loss, damage, injury or ILLNESS sustained by spectators or by exhibitors and handlers, or to any of their dogs or property, and further assume no responsibility for injury to children not under the control of their parents or guardians. AKC and BDOC are not responsible for any loss, accidents, ILLNESS, or theft.
3. The owner or designated handler of each dog is solely responsible for having it ready at ringside when its class is to be judged. The host organization, event committee, and Show Secretary have no obligation or responsibility for providing service through a public address system, or stewards or runners for the purpose of locating dogs that are not brought into the ring when required.
4. Dogs may arrive any time prior to their scheduled time of judging. Dogs not required for further judging will be excused.
5. Please remember to turn off cell phones and/or pagers before entering rings.
6. No unentered dogs allowed on the event grounds. Note: no dogs less than 8 weeks of age may be present on the grounds of an AKC licensed event.
7. Dogs are not to be left unattended when crated in soft mesh crates. No dog may be left in an unlatched or un-zipped crate.
8. Except when being crated or exhibited, dogs must be kept on leash.
9. Exhibitors and dog owners are expected and required to clean up after their own dogs. Please potty your dog on the SOUTH side of the driveway and use the provided receptacles for disposal. Any person witnessing a violation of this rule must report it to the Event Committee. The Event Committee may ask any person violating this rule to leave the event grounds. No refund will be made if an exhibitor is asked to leave the grounds.
10. Absolutely no alcoholic beverages or illegal drugs will be allowed on the grounds or in the buildings on the day of an AKC licensed event.
11. It is expressly understood that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the Event Committee, be asked to leave the show site. In that case, no refund of any fees paid will be made. AKC will vigorously support any facility that files a complaint about exhibitors who fail to keep their dogs quiet or to clean up after them. In order that the bad conduct of a few exhibitors does not spoil it for the majority of responsible exhibitors, AKC will take strong disciplinary action against any offenders.
12. Females in season will not be allowed to compete. A refund minus \$10 processing fee will be given with a vet's certification, if your female is withdrawn no later than one-half hour prior to the start of the first class of the trial.
13. Trial Site: It is not appropriate to scout the trial location prior to the trial date. Many search locations are real-life environments and such visits may risk the host losing the opportunity to use the location in the future.
14. Possession of Odors and Training: Chapter 5 Section 35 of the Scent Work Regulations state, "No person other than those engaged in the administration of a trial shall be in possession of any target odor when on the trial grounds. There shall be no training on the grounds of an AKC Scent Work Trial, other than in the designated warm-up area."
15. Spectators & Double Handling: Spectators are encouraged, however, no one outside the search area may assist the handler or disclose the location of the hide. Spectators should take care to remain neutral in order to not provide clues to the handler. Judges may excuse or re-run exhibitors whose dogs they reasonably believe have benefited from double handling. Spectators who intentionally or unintentionally give aid to a team may be asked to leave the spectator area by the judge. Handlers may not watch other exhibitors from their class prior to their run, except in the case of Handler Discrimination classes, if offered.
16. Spectator Area: Any person not handling a dog in the current class, or persons who have already completed their

runs in the class may choose to watch searches in the outdoor spectator areas. Indoor spectator areas may be allowed depending on the search area and the judge's discretion. Spectators are absolutely forbidden from discussing details of the search with handlers who have yet to run. Even seemingly innocuous details can inadvertently aid a team's performance. The basic rule is this: If you would not know the information, but for being in the spectator area, you cannot discuss the information. No dogs are permitted in the spectator area(s).

17. Warm-up area: There shall be a designated warm-up area. One labelled container per target odor being used in the trial on that day will be placed in the warm-up area. This will allow handler-dog teams to prepare themselves for the search prior to their run. Each team should limit their warm-up to two minutes or less so that others may be able to use the warm-up area as well.
