Rayna is opinionated, high drive, and lucky for her, as cute as she can be. When she steals a towel or a sock out of my hand and takes off with it, how do I not laugh? Rayna is a High in Trial winner in herding, rally, and nosework, and I hope we add obedience to that list soon! She excels at duck herding like her sire Raymond and brother Rick before her, and we are having SO much fun.

Rayna is teaching me things I never wanted to learn, but I wouldn't trade her for the world!
